CS-8000 Circuit Breaker Finder

The **AT-7030 Advanced Wire Tracer Kit** includes everything you need to get accurate results in minutes, whether tracer wires, identifying breakers or locating fuses. The Receiver's patented Smart Sensor™, with its innovative new antenna design and advanced signal processor, clearly displays the location and orientation of energized wires in walls, floors and ceilings on the large color TFT LCD screen.

The powerful Transmitter utilizes two optimal frequencies for both energized and de-energized wire and breaker tracer, delivering consistently accurate results for novice users and experts alike.

*Offer only applies to the Amprobe, Ideal, and Greenlee wire tracers listed above. Proof of purchase of an Amprobe AT-7030 Advanced Wire Tracer Kit is required from an authorized Amprobe distributor, and the purchase must be made during the promotion period. Terms and conditions apply. Visit www.Amprobe.com/Trade-Up to learn more.

**See instructions on the back to Trade In, Trade Up,, and recieve your Cash Back.

Terms and Conditions: Amprobe Electronics Corporation (the "Sponsor") is offering the "Trade In, Trade Up, & Get \$300 Cash Back Rebate Offer" (the "Offer") and will provide cash rebates by check for qualifying Amprobe AT-7030 Advanced Wire Tracer Kits purchased between June 15, 2015 and December 31, 2015 ("Qualifying Purchases Period") and submitted per the rebate claim procedures described in these Official Terms and Conditions. Offer is open to legal U.S. residents and/or businesses currently residing or physically located in the United States and the District of Columbia who currently own an Amprobe wire tracer or a wire tracer from Ideal or Greenlee. Void in Puerto Rico, all other U.S. territories and possessions and overseas military installations and where prohibited or otherwise restricted by law, rule or regulation. All federal, state and local laws and regulations apply.

The following entities are NOT eligible: Employees, officers and representatives (and members of their immediate families and those living in the same household of each) of Amprobe Electronics Corporation, its parent subsidiaries or affiliated companies, distributors, and representatives.

Make the purchase of the Amprobe AT-7030 Advanced Wire Tracer Kit ("Qualified Product") during the Qualifying Purchase Period from an authorized Amprobe U.S. distributor. (For a list of authorized distributors visit www.Amprobe.com/Wheretobuy).

Offer cannot be combined with any other discounts, credits, rebates or other special offers from Sponsor. Employees of a purchaser act as the purchaser's agent, and any and all benefits accrued are the property of the employee's agency and not personal property.

Visit complete Official Terms and Conditions and get additional copies of this form at www.Amprobe.com/Trade-Up.
